- **Class # 14 – Final Class** – Students prepare an intricate menu including an entrée, vegetable and side dish without the use of recipes. **A final food tasting, critique and student discussion will wind up the class, followed with a strong finish as Culinary Master Chef Program Certificates are presented to graduates.** Timing, plating, garnishing and presentation are essential components to the success of the students' final menu.

Where do you want to be?**

***“People can derive a great deal from the art of cooking. The ultimate reward for me is seeing the sense of confidence and pure joy that my students experience when they master the life skill of cooking through my instruction, and to help other chefs follow in my footsteps and create their own businesses and careers,” Chef Eric.***
