

## Love Is In The Air: 10 Last Minute Valentine's Day Gift Ideas

February 11, 2014

1) **Tieks by Gavrieli Ruby Red Patent Leather Flats** (\$195) Being that the Wizard of Oz is my all time favorite movie, I am rather smitten with these chic, comfy and portable shiny red flats. And in honor of American Heart Month (FYI Heart disease is the #1 cause of death for women and kills more women than all cancers combined), I am supporting Tieks Wear Red Campaign by wearing these adorable red shoes and encouraging all women to wear red this month in order to raise awareness about this important problem.

2) **Burke Williams Valentine's Day Romance Package** (\$149-\$159) Burke Williams is one of the best and most adored spas in California and they are offering amazing Valentine's Day packages this year. I love the Romance package which includes a Spa Pedicure with your choice of a 50-minute Pure Relaxation massage with enhancement or a 50-minute Spa Style Facial with a peel. What a nice way to spend V-day!

3) **Keurig Elite Brewing System in Rhubarb** (\$119.99) Keurig makes brewing the perfect cup of coffee at home a breeze in under one minute at the touch of a button. 4) **Chef Eric’s Culinary Classroom in Los Angeles Romantic/Date Night Cooking Classes** (\$200/couple) I recently had the pleasure of meeting the affable Chef Eric and partaking in one of his gourmet hands-on cooking classes. If you are looking for an interactive and fun way to celebrate Vday, this romantic cooking class sounds divine don’t ya think?
